

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF PURCHASED GAS	)	
ADJUSTMENT FILING OF DELTA	)	CASE NO. 9331-I
NATURAL GAS COMPANY, INC.	)	

O R D E R

On December 16, 1987, Delta Natural Gas Company, Inc., ("Delta") filed its Quarterly Report of Gas Cost Recovery Rate Calculation ("GCR") to be effective February 1, 1988. That GCR contained certain information concerning the actual adjustment which is routinely filed with each application.

Given the changing market conditions in the natural gas industry and the increasing volumes of spot-market purchases as opposed to purchases from traditional pipeline suppliers, the Commission will, now and in the future, require that each Class A LDC file more comprehensive information as back-up for their actual adjustments. Therefore, within 10 days of the date of this Order, Delta shall provide the following information which shall be filed in each future GCR:

(1) Back-up information for all figures contained in Schedule IV, Page 1 of 2.

(2) Back-up information for all figures contained in Schedule IV, Page 2 of 2. Include total purchases made by Delta Resources and total Mcf sales to customers other than Delta for which Delta provides transportation.

At the time this information is filed, Delta should also apprise the Commission as to whether information concerning Delta Resources is to be held confidential. Delta did not request confidentiality nor file that information separately, which were the conditions for confidentiality in this matter.

IT IS THEREFORE ORDERED that:

(1) Within 10 days of the date of this Order Delta shall file the information requested herein.

Done at Frankfort, Kentucky, this 14th day of January, 1988.
